TRANSWORLD CARAVANGUARD ISSUE #40 COLLECTION SPRING SUMMER 2004

There are some smallish houses that  
have zip-codes which are ever-changing.  
People call 'em Caravans.

These rolling houses enable  
their occupants to travel well  
beyond the horizon.

Final destination: The opposite end of the world.

Journey all the way to the farthest,  
farthest point and at that spot you'll find  
a surprising sign. It has your name  
on it, along with a rather cryptic message:  
It says; "I've been waiting for you forever!"

Better start the trip!

Newborn & Baby

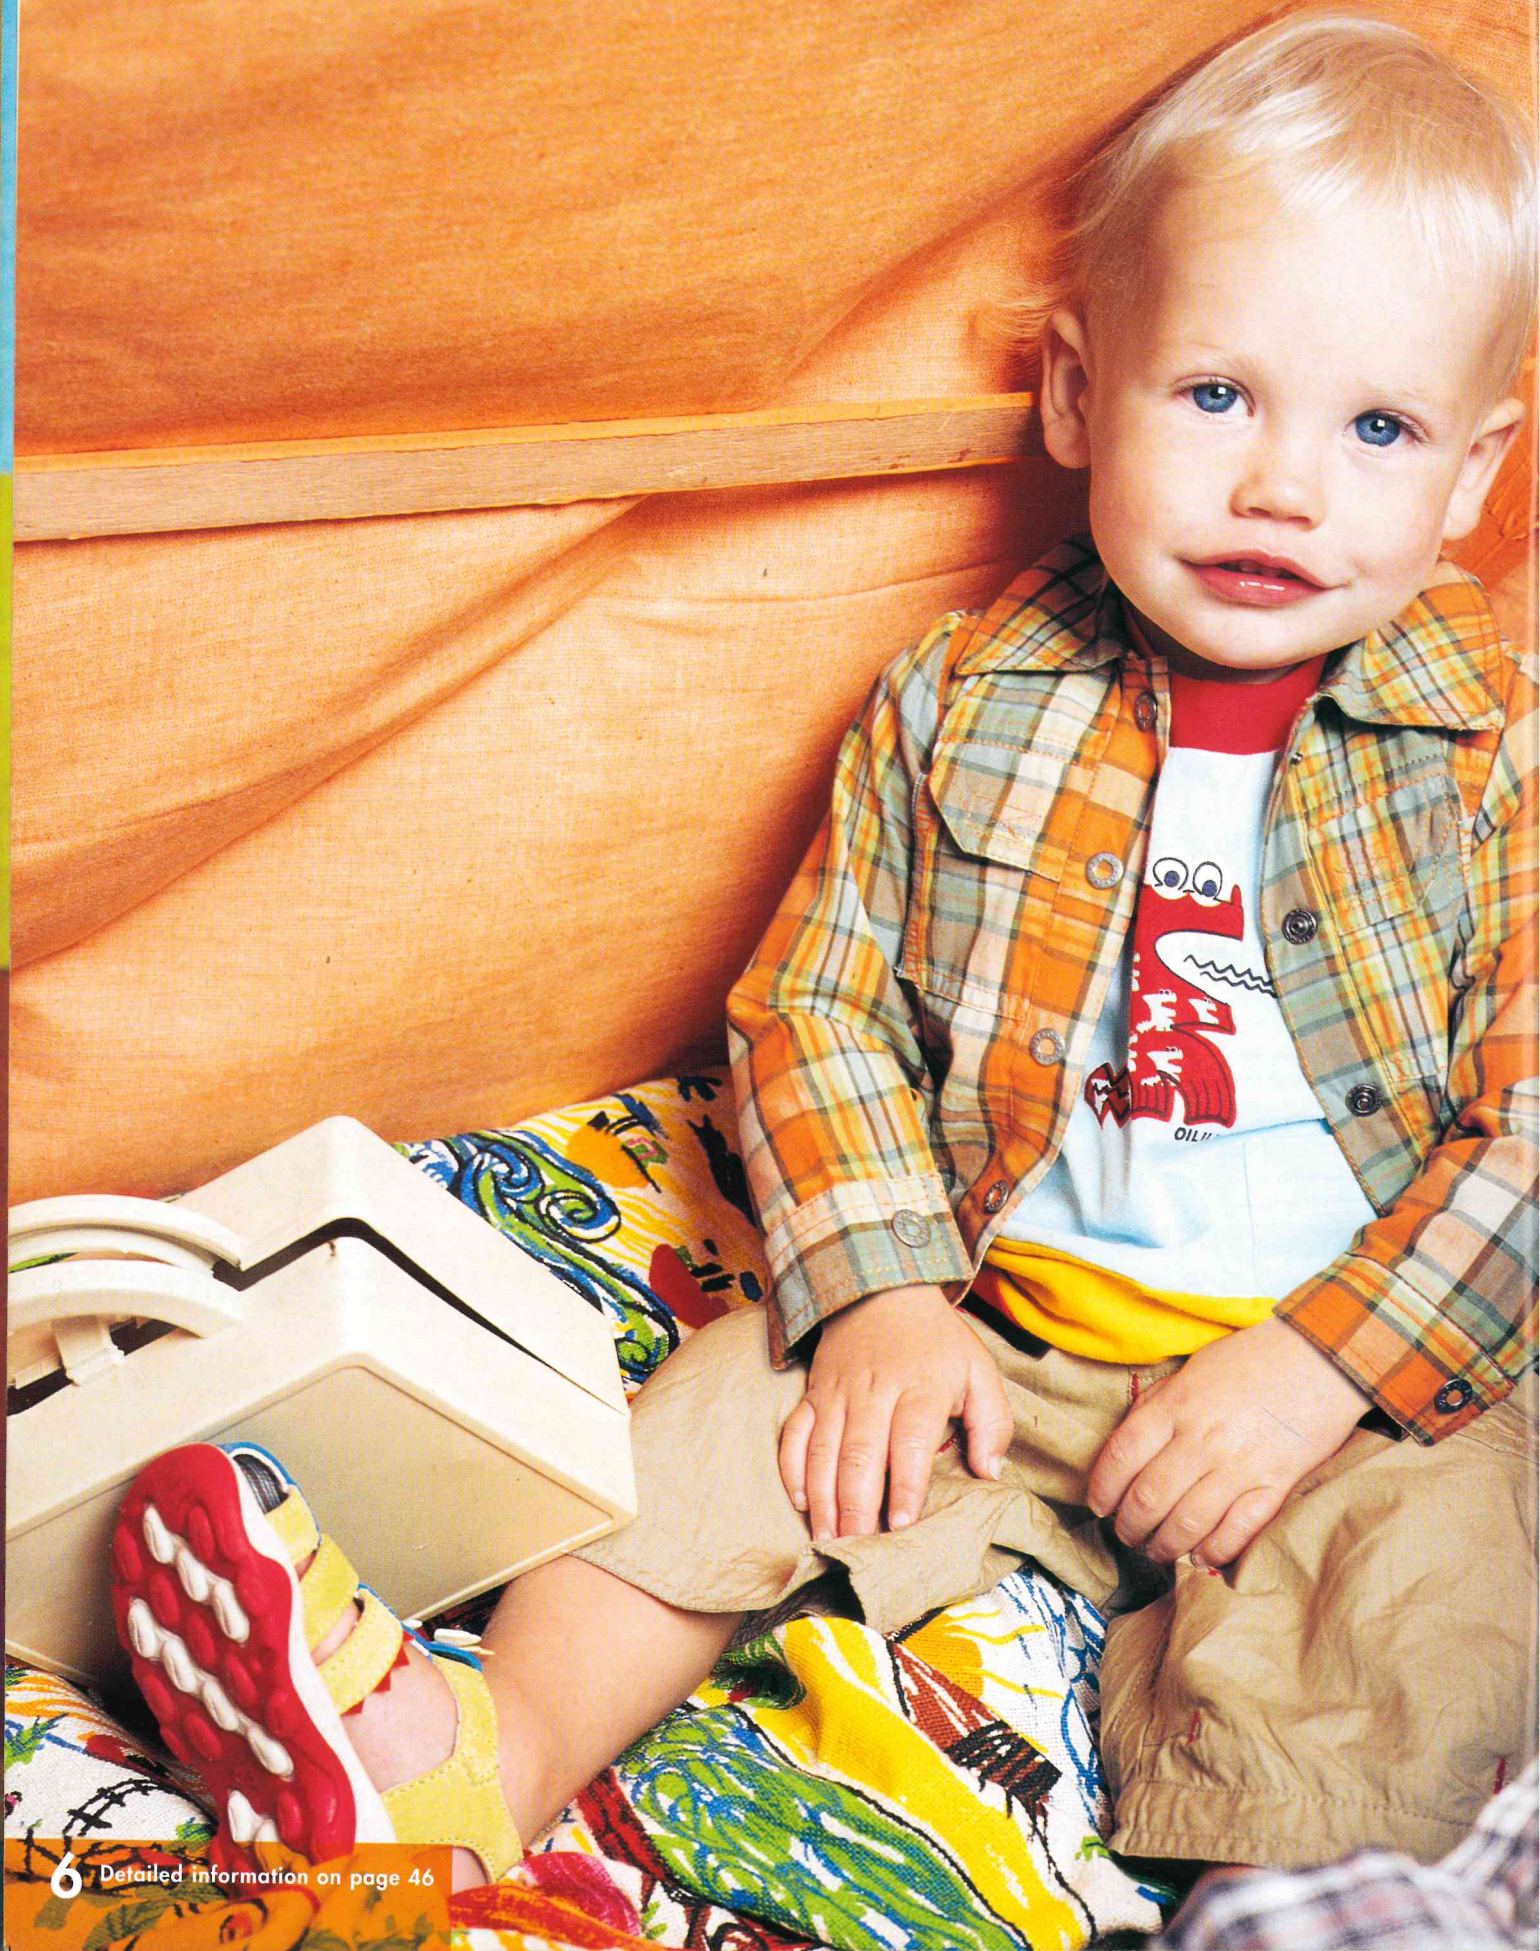

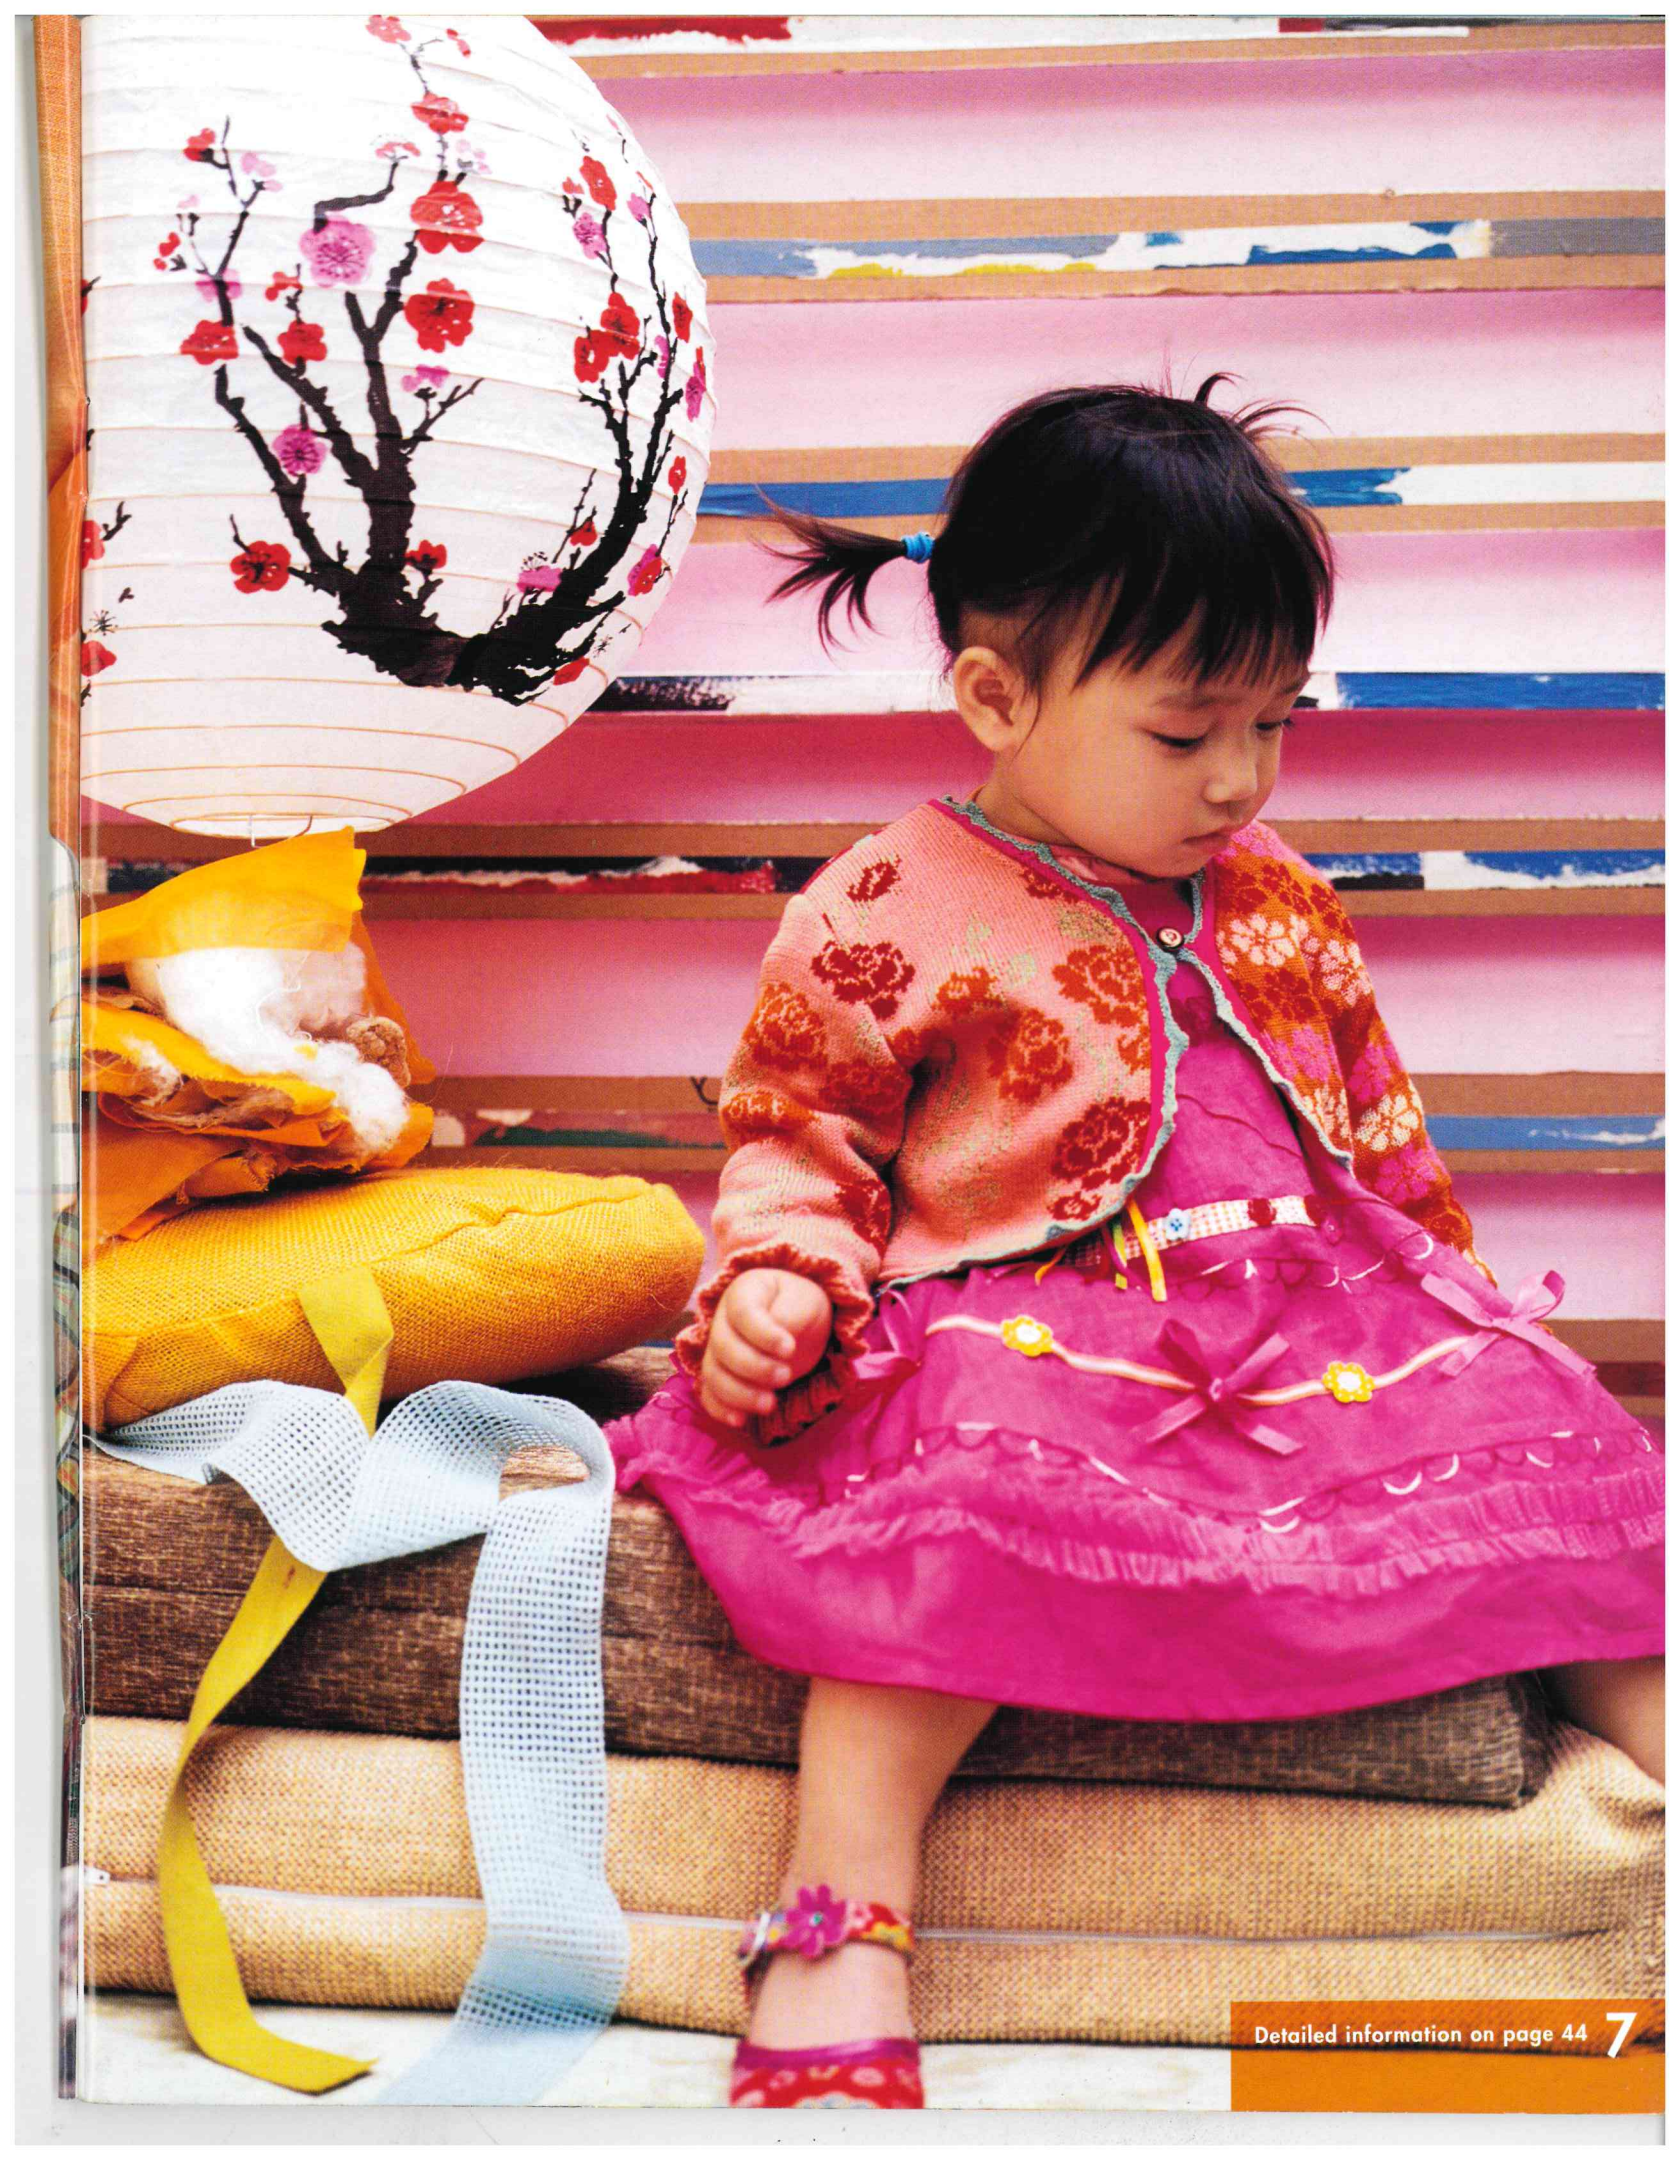

No-mads get no sleep. That's logical.

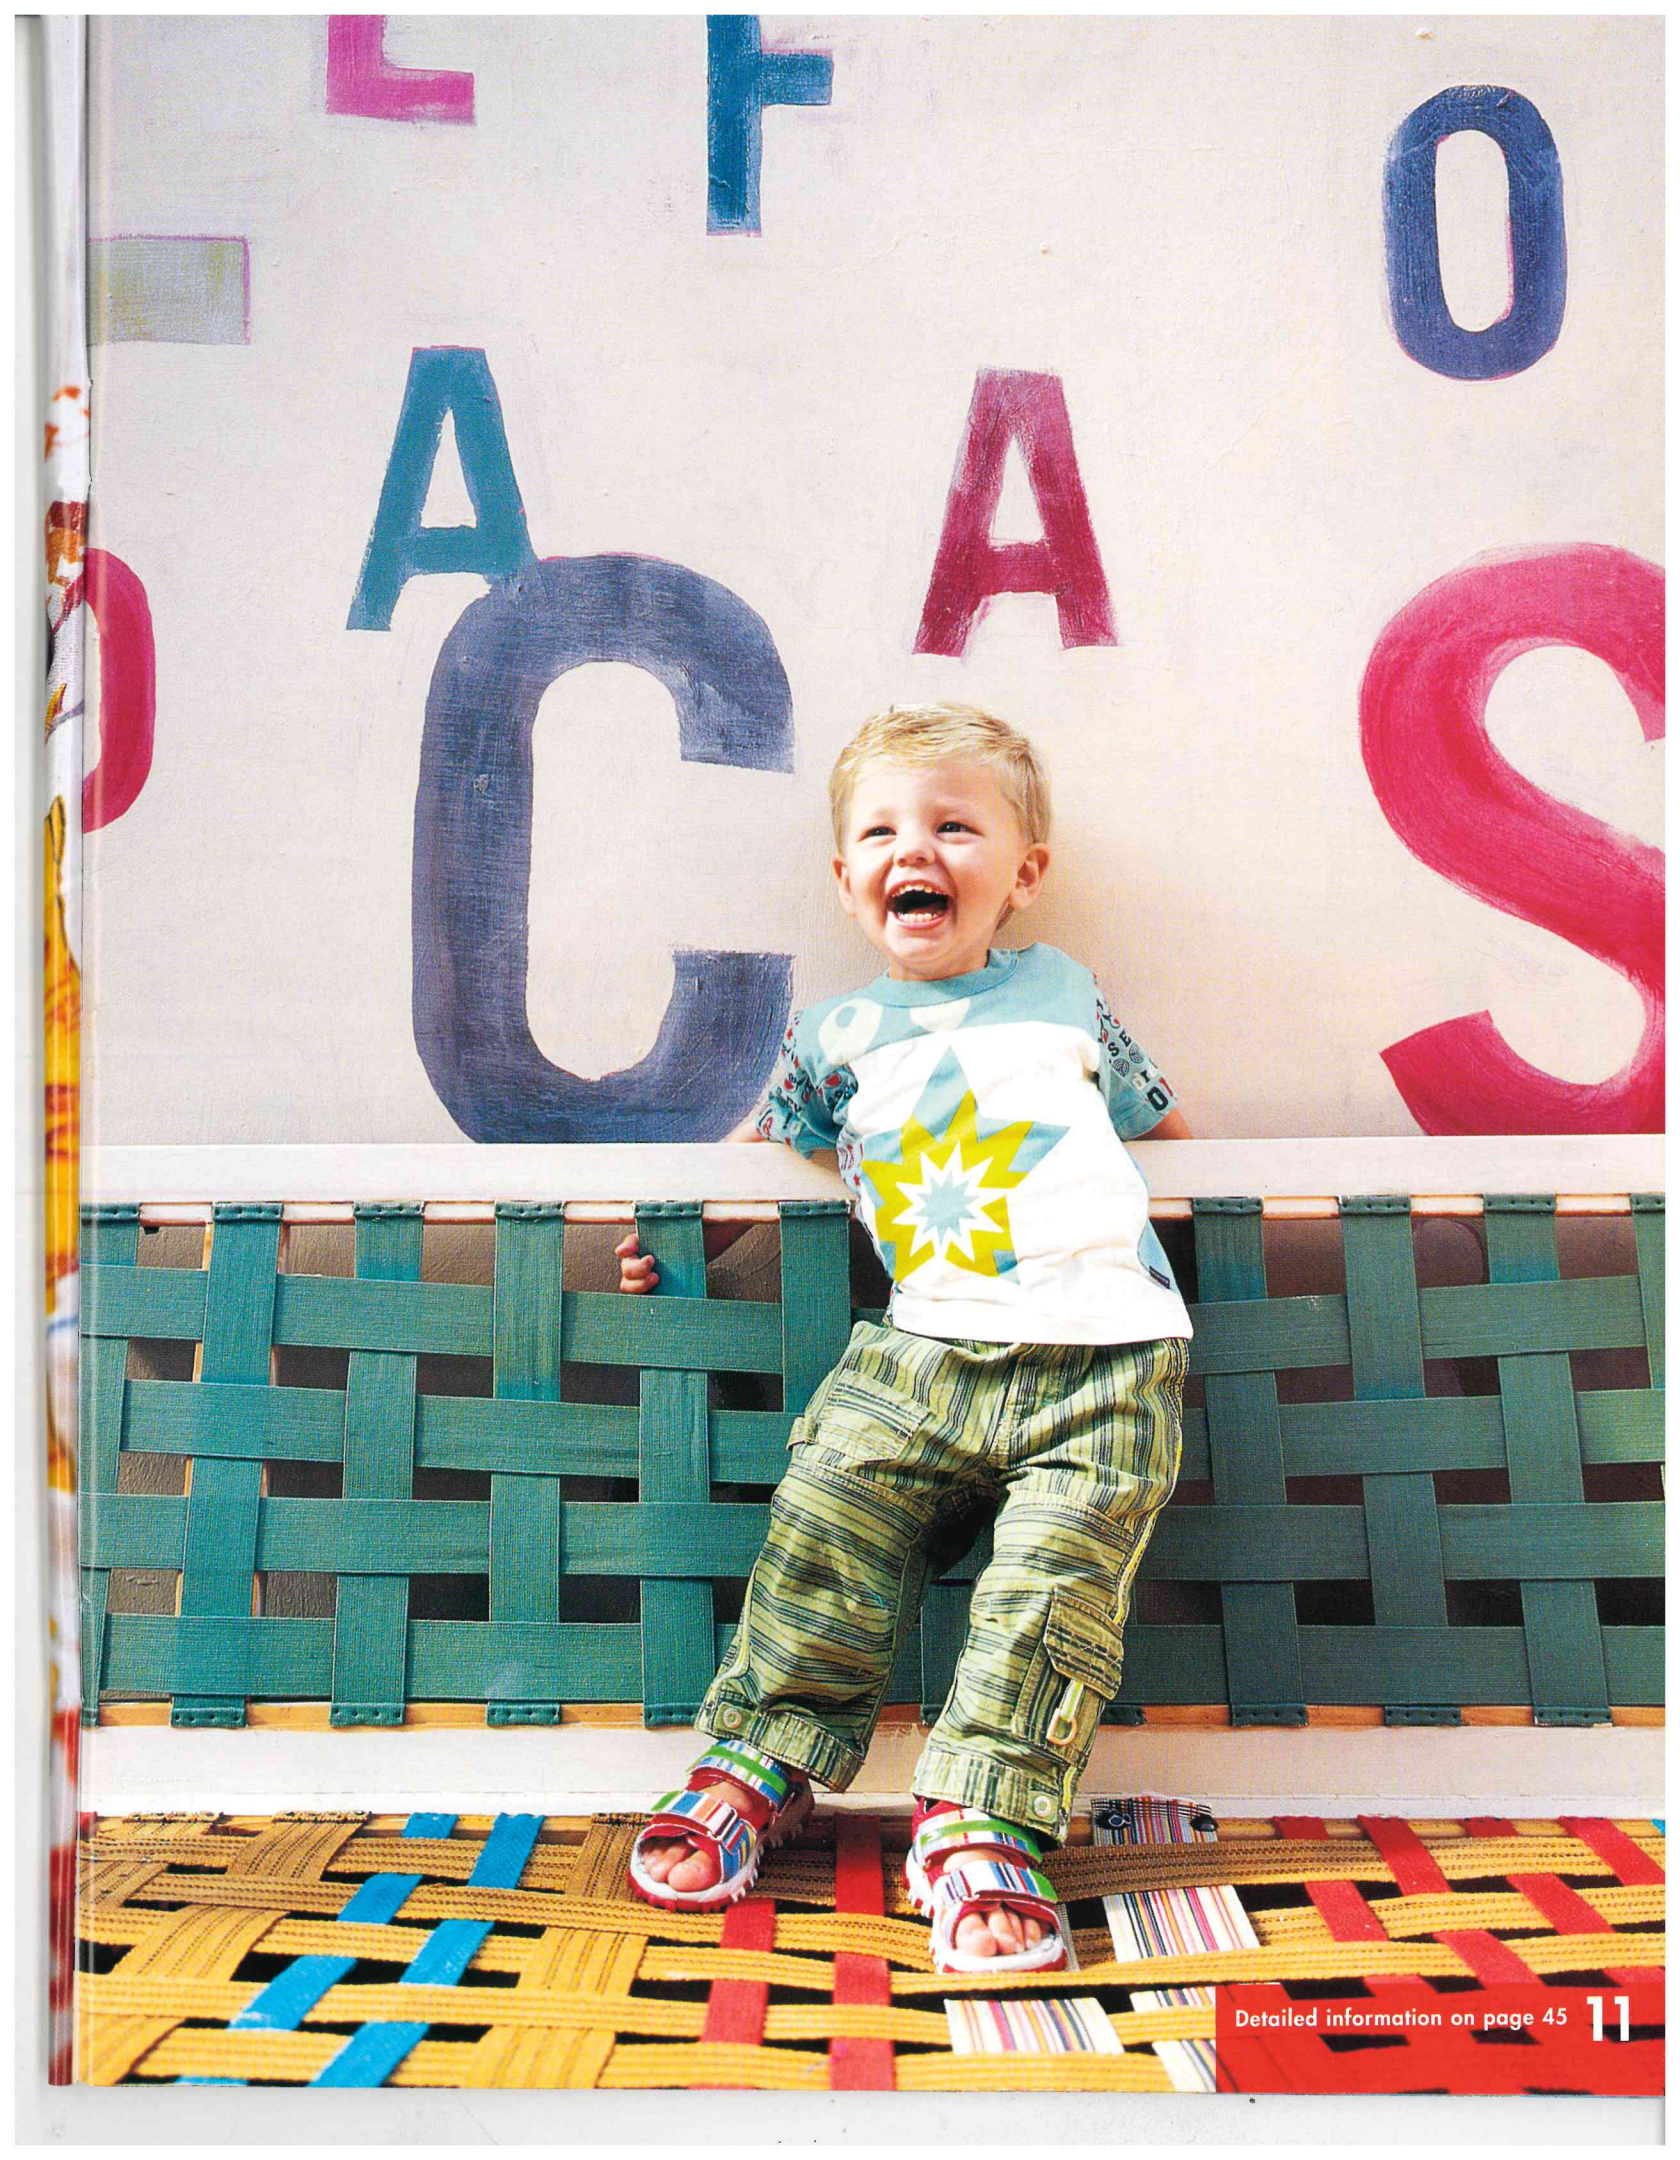

Every night the sandman has to try and  
locate them, and they could be  
anywhere by nightfall.

A difficult assignment!
